When you go on an Annapurna Circuit Trekking tour, you will find that you will reach the highest heights of the Nepal countryside, to its deepest gorges. On this trekking tour, you will get to experience all that Nepal has to offer. You will get to go to the gorge of Kali Gandaki gorge, which is the deepest gorge in the world. And at that gorge, you get to see the famous Annapurna 1 peak rising to the west, which is measured to be approximately 8167 meters. And another place that you get to on an Annapurna Circuit trekking tour is that you get to reach Thorong La Pass, which is 5,416 meters high! So as you can see, there are so many different places to explore when you go on an Annapurna trekking tour. You will get to experience the highs and lows of trekking around Nepal when you go on

this tour.

And you will not have to worry about not having enough time to experience all that this tour package has to offer. There is ample enough time to do that when you go on an Annapurna Circuit trekking trip. In fact, this kind of trekking tour can last up to 21 days, which is a lot of time. On this week's long trip, you will get to appreciate all the time. And it takes so long because you will be covering a lot of distance on this Annapurna Circuit trekking trip. You will cover at least a vast distance as you circuit around the Annapurna region of Nepal.

You do not have to worry about being accommodated on this trip. The fee that you pay for this trip will cover your lodging too. And that lodging includes a stay at a 3-star restaurant with a famous tea house. You will get to stay at the suitable Hotel in Pokhara, and additionally, you will also get to stay at another hotel in Kathmandu. You will find that on this hiking trip, you will still get to go on a comfortable vacation because of the comfortable lodgings that are included in this package. So if you want to try out a trekking trip that includes hotels that a rated at 3 stars, then you should go on a trekking tour that circuits the Annapurna region.

On an Annapurna circuit trekking trip, you will first start out with a Drive to Khudi, which is about 8 hours long. And the circuit tour also ends with a final Trek from Tadapani to Pokhara, which includes a hike and drive. Overall the final leg of the trip will take around 7 hours. So the long distances and time mean that you will have to be reasonably fit to go on this kind of trekking tour. You will have to be relatively experienced if you want to finish this trip because it can last up to 3 weeks. However, if you do want to go on a mountain hiking trip, you will find the Annapurna Circuit trekking trip enjoyable.
