If you are looking for new adventures, then the Mardi Himal Trekking is for you. It is one of the most popular treks if you're traveling in Nepal—the Annapurna Base Camp Trek. This amazing trekking experience will let you have a glimpse of the hidden and virgin beauty of the Mardi Himal.

There are trekkers who have experienced and enjoyed the beauty of the Mardi Himal Trekking by going to the base camp of the Mardi Himal. It can be located at the very base of the Mardi Himal and the Machapuchhre.

The trail that you are going to go on with the Mardi Himal Trekking will let you explore the wild and rich forest, and when you can make it through the elevation of 3,300 m, you will be amazed at the beautiful and spectacular landscape of the mountain ranges. Aside from

that, you'll enjoy the picturesque view of the Mardi Himal, Annapurna South, Machapuchre, and Hiunchuli.

If you start from the high camp, you will be able to climb all the way to the Mardi Himal with an elevation of 3560 m for roughly four hours depending on you. Once you climbed it through, rest assured that you will be able to enjoy the magnificent view of the whole Annapurna Range.

The entire duration of this trek will take about eight days, and the level of altitude reaches up to 4500. It is best to do the trek during the month of November, September, October, March, April and May for the best seasons for your trek. The accommodations included in this trek are the guesthouses and lodges only where you can stay for the night. Your starting point will be the Kande, and your finishing point is the Lumre. Make sure that you've been trekking for a while now before you try this trek because it needs skills and experience to complete the trek.

To be allowed to do the trek, you should prepare your ACPAP and TIMS already because they will consider it as your permit in doing the trek.

Along the trail that you are going to take, there are lodges where you can stay and take a rest to complete the trek. However, if you are now planning to find new adventures in this trek, you should make sure that you keep in touch with their local tour operator to make sure that there are some traveling inns that are still open during the time that you're planning to do the Mardi Himal Trekking.

Therefore, if you wanted to see the breath-taking and artistic monasteries along the way, you should consider this trek for a whole new adventure only Nepal can offer you. Most of the trekkers who have finished this trek started and finished it with a smile on their faces mainly because it is all worth the time, money and endurance that you are going to invest in exchange for amazing views and great experience with your friends and families.
